

Instructions:

Please answer the following questions to the best of your ability. Answers should be reported in plain language and easy to understand. These reports allow the Aurora Research Institute to understand and report on how the funding was applied and supported research in the Northwest Territories.

This report is due the **February 28** following your award or with your 2016 Research Assistantship or Fellowship application (which ever is first).

Reports must be submitted electronically by the deadline to: licence@nwtresearch.com.

Please submit this report using the following file name: LastName_FirstName_RA_YEAR.pdf

Please include any pictures you are submitted in the email with your report. Pictures can be submitted in all regular picture file formats, but .jpeg or .png are preferred.

Failure to submit this report, will exclude you from this funding opportunity into the future (until which time it has been submitted).
