

Aurora College CubeSat Team

Mission Participation Information Form

The Aurora College CubeSat Team would like to know more about you so that we can properly credit your artwork when we use it! We will put a picture of your artwork onto our website as well as onto our satellite. The artwork on the website will have your name, the community in which you live, and a short description along with it.

Participant

Name:	
Age:	
Community:	
Email:	
Description of Artwork:	

Guardian (if participant is under 18)

Name:	
Email:	
Phone:	

What else would you like to receive?

Mark the points you are interested in:

- Picture of my artwork in space
- Updates about the satellite in space
- More information about how to get involved

All data will be stored and collected according to the policies of Aurora College. If you have any more questions about how this information will be used, please reach out to us: cubesat@nwtresearch.com.
