

Logistics and Administration

Quarterly Report

Prepared by: Bessie Rogers, Western Arctic Research Centre

Date: 01 July to 30 September 2019

Logistics at the Western Arctic Research Centre

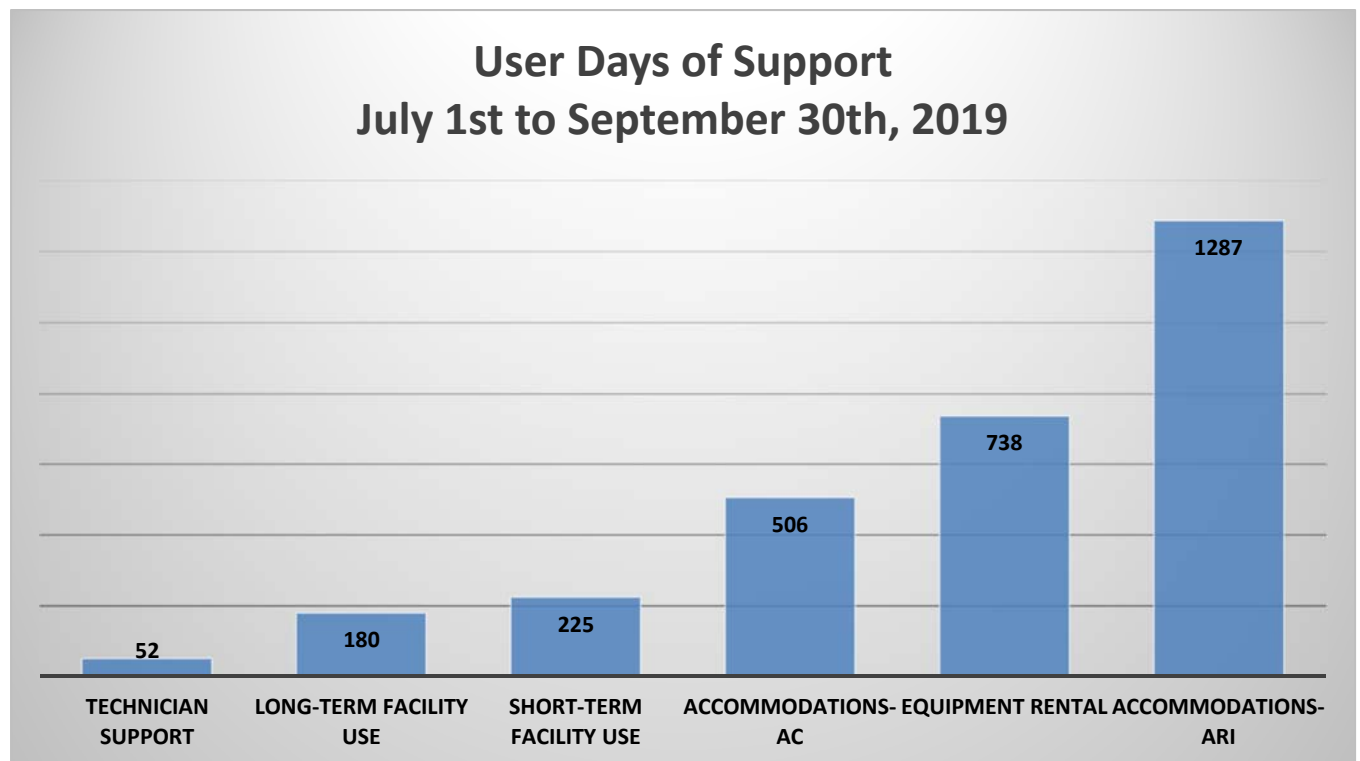

WARC provides a wide range of support to researchers on an annual basis, as well as to indigenous groups and organizations, businesses, government departments, high schools, and the Aurora College. WARC also provides support to other communities in the Beaufort Delta region.

WARC provides affordable accommodation to researchers. Rates include daily, weekly and monthly fees and vary depending on whether the user is a Student, Canadian, or Non-Canadian. Each house includes a full kitchen, bath, laundry services, a living room and six beds. Other features include basic cable television, wireless internet, and a front deck with a barbeque. At our facility, we have a shared research office space, with up to 10 individual desk spaces, three labs (a Clean Lab, a Teaching Lab and a Wet Lab), a classroom, and two meeting spaces, the conference room and the meeting room.

We have a large selection of equipment that is also provided on an annual basis. Big items include a boat with or without a motor, snow machines, and toboggans. Smaller items include camping equipment, cold weather gear, ice augers, and frost depth throbs. A detailed list of the support that we provide can be found on our website at <http://nwtresearch.com/logistics/fee-schedule>.

User Days of Support

Below is a graph and table that records the number of user days for equipment, Technician Support, facility use (i.e., conference room, meeting room, classroom), long-term users (i.e., leases and logistical support), short-term facility (i.e., lab space), and accommodations.

Activities of Note

Public Presentation- Speaker Series

Jiri Raska, NRCan

Title: *Launch of the Radarsat Constellation Mission*

No. of Participants: 27

Public Presentation- Speaker Series

Michael O'Rourke

Title: *The Inuvialuit Place Names Project*

No. of Participants: 27

Public Presentation- Speaker Series

Kira Hollard

Title: *Ice Wedgetts: A History of Winter Climate in the Mackenzie Delta*

No. of Participants: 46

Public Presentation- Speaker Series

Kirsten Reid

Title: *Tree Range Expansion*

No. of Participants: 46

Student Outreach

Science Literacy Week

East Three Elementary School

Education Garden, traditional uses and ecosystem interactions.

Grades K- 6

Science Literacy Week

Mangilaluk School

Air Pressure and water pressure

Ocean Mammal Sounds

Community Outreach

Children First

Education Garden, traditional uses and inquiry

Preschool to age 12
